### Preface

Fundamentals DJ Academy created its own brand of team building rightfully dubbed “HR-DJ” because we aim to provide benefits *beyond* the standard. We provide any office with the most cutting-edge and exciting team building event that teaches your team the art and craft of DJing. Who needs personality assessments when you have playlists!?

### Event Overview

HR-DJ brings out the inner DJ in you and gives you a chance to learn premier entertainment skills with your fellow colleagues in some very fun “challenge exercises”.

### Curriculum

- Begin with **team trivia** to unlock your favorite songs and call dibs on them for your team’s playlist!
- **Interactive DJ instruction** followed by fun **team practice exercises**.
- **Team roles** assigned for practice (Lead, Scratchmaster, etc.)
- **Challenge exercises** to follow e.g. Beatmatch Contest, Song Snake, DJ Duel, and more!
- **Final DJ performance** (optional) given by teams and scored by instructors.

### Summary

HR-DJ is the most exciting team building exercise that will bring together all types of teams, create icebreakers for diverse teams/members, and forge new bonds. The performance piece brings a new sense of excitement and confidence to the team. Last but not least, your team will walk away with music and performance skills that are guaranteed to impress.
